

# WHITE LITHIUM GREASE

**3-IN-ONE®**

## SPRAY

Thick, long-lasting lubricant. Reduces friction & wear on metal parts. Water & heat resistant formula. Protects against rust & corrosion.

Long-lasting, non-drip, water-resistant formula that won't melt, run, wash off or freeze, making it ideal for applications both inside and outside.

### TECHNICAL CHARACTERISTICS

#### APPEARANCE

Off white, viscous, slightly mobile grease

#### ODOUR

Citronella

#### SPECIFIC GRAVITY

0.812 - 0.842

#### SERVICE TEMPERATURE

-30°C TO +140°C

#### COMPOSITION

A solution of lithium-based grease in an aliphatic hydrocarbon solvent, dispersed in a hydrocarbon propellant.

### RECOMMENDED FOR

- Hinges
- Latches
- Gates
- Bearings
- Sliding doors
- Hand and power tools
