

HIGH PERFORMANCE PENETRANT SPRAY

3-IN-ONE®

Fast acting penetrant loosens rusted, stuck or seized nuts, bolts, locks, parts or fixings with ease. Removes rust, grease & grime on contact. Leaves a protective water-resistant barrier.

Powerful capillary action to reach the tightest of spaces.

TECHNICAL CHARACTERISTICS

APPEARANCE

Clear, non-viscous liquid

ODOUR

Citronella

SPECIFIC GRAVITY

0.764 - 0.794

SERVICE TEMPERATURE

-30 TO +150°C

COMPOSITION

A solution of low viscosity white oil in aliphatic hydrocarbon solvents and a carbon dioxide propellant.

RECOMMENDED FOR

- Chains
- Pipes
- Nuts
- Screws
- Bolts
- Locks
- Taps
- Door Fittings
